Dear Rotarian friends,

I would like to convey to you my warmest Rotarian greetings. I am really impressed both by your club internet site and by your exemplary club bulletin.

Both of these are a certain indication that your club will thrive and will promote Rotary and its humanistic goals and ideals, which are much needed in our part of the world.

All the best wishes to the members of your club.

Panos Theodoropoulos
Asst Governor 2480 D. of R.I.

But we could do a better job in letting the world know what we are doing... I have seen an improvement on the local level in our public image. Let us capitalize on this effort for years to come and let us together through **Service Above Self** continue to show the world the great leadership of Rotary International.

Carl-Wilhelm Stenhammar, President of RI
March'06 President's Message

THE WORLD OF ROTARY

The overriding impression of the dedication and commitment of men and women to give service to their fellow citizens can never be overestimated.

Rotarians are giving of their time, expertise and resources throughout the world. To experience this phenomenon

firsthand confirms my belief that when men, women, and children understand the needs and are given an opportunity and the encouragement to participate, then anything is possible.

I am convinced the future of our communities and our countries lies in what we do as individuals, as private citizens, and Rotary can provide a vehicle to enable our membership to play a major role by positive action oriented programs designed to make a difference.

The friendship formed during this process is the hallmark of Rotary.

Royce Abbey, President of RI, 1988-89
