**THE WORLD OF ROTARY**

Fellowship is wonderful; it illuminates life’s pathway, spreads good cheer, and is worth high price, but even fellowship comes at too great cost when it paralyzes human Instincts and extinguishes the flame of conjugal and paternal love.

Paul Harris, This Rotarian Age  
 “What is Rotary? What is it all about? ... Beneath Rotary’s many and varied activities, there is the unchanging undertones of goodwill, goodwill, goodwill.”

Paul Harris’ message on the 39th birthday of Rotary

*Cooperation* is a key word for the future of Rotary. Every area that we work in, such as education or water management or hunger and health, is big - very big. Rotary has already proven the importance of working with other organizations through our polio eradication program.

We have set a precedent for how a service organization can cooperate with other organizations, governments, communities, banks, and foundations to reach an important goal.

Rotary is a wonderful organization, and we are certainly moving forward in this first year of the second century of our history. Let us continue to do so through *Service Above Self*, showing the world the great leadership of Rotary International.
