## THE WORLD OF ROTARY

### *Why I Am A Rotarian*

“...Rotarians are ordinary people who are taking the opportunities that Rotary has given them to serve without conceit or pride or any sense of being special. This is unselfish service performed in an environment of warm fellowship...”

...I joined Rotary with high expectations. My expectations have been exceeded, and my wife, Lorna, and I have found that Rotary has become an integral part of our lives.

I am a Rotarian because Rotary changes lives. I know this because Rotary has changed mine.”

William Boyd, RI President, 28.02.2006

However, leadership is much more than courage and daring. It is the ability to think outside the box....

A good leader must look beyond personal interest or aversion. One must separate the business side of one's life from the personal side in order to achieve good results in both areas.

Carl-Wilhelm Stenhammar, RI PP, June'06 Message
