1. Each new member admitted into a Rotary club to be adequately informed about his duties and obligations BEFORE his induction - properly introduced to the club - and effectively assimilated into the work of the club during the first year;

2. A better understanding and application of the principles of Vocational Service as set forth in SERVICE IS MY BUSINESS;

3. A contribution to world understanding and peace through an intensification of our international service program;

4. An outstanding district conference in every district.

THE WORLD OF ROTARY

"Of all the hundred and one ways in which people can make themselves useful to society, undoubtedly the most available and the most effective are within the spheres of their own occupations."

Paul Harris, The Rotarian, January 1912

"We all know what sets Rotary apart, what makes it so unique. It is its classifications principle. To me this is really Rotary's 'trademark.' It is Rotary's fundamental characteristic, the manner in which it gives each Rotarian the privilege of expressing one's commitment to ethical principles of which life in society is always in need."

Bhichai Rattakul, RI President 2002/03

"These Clubs are grouped in an international association, one of which aims is to promote in trade, industry, professions, etc. – the noble ideals of honor, loyalty, trust, solidarity, etc."

Matej h.Petrov, President of RC Bourgas 1937
